## Bluejay Advisors Welcomes Tucker Mills

Bluejay Advisors is excited to announce that Tucker Mills has joined our team of M&A professionals as a senior associate in the Jacksonville Beach office. Previously, Mills spent three years at CSX Transportation's Jacksonville, Florida headquarters, serving most recently as a financial analyst in the Operations Finance department. In that role, Mills provided capital and operating budget support and analysis to the Engineering team. He performed financial analyses involving core assets such as track, signal infrastructure and hi-rail equipment. Prior to that, Mills was a member of CSX's Capital Planning team where he assisted with the annual and monthly capital allocation processes to ensure alignment between investments and the organization's strategic goals.

Prior to his time at CSX, Mills spent two years as a financial analyst associate at JEA in Jacksonville, the eighth-largest community-owned electric utility in the U.S. In that role, Mills supported the Treasury and Financial Planning teams and implemented several process improvements. Mills received his Bachelor of Science Degree in Finance from Florida State University.
